

FINAL IPLA PRESENTATION

Anastasiia Hodovana

ARRIVAL TO TOHOKU UNIVERSITY

WHAT HAVE I LEARNED

- Gained a lot of knowledge about Japanese traditional culture and learned basics of Japanese language
 - Improved management skills in creating a projects and working on them
 - Economical base of Japan through various classes and presentations of Japanese leading companies
 - International cooperation
- 

INFLUENCE ON ME

*Experience
something new
every day*

*Develop
creativity*

*Listen and hear
people you work
with
Find compromise*

*Don't be afraid
to perform in
front of other
people*

*Cooperate with
people from
different cultural
backgrounds*

*Have fun in
teamwork*

*Enjoy volunteer
work*

MY FUTURE PLANS

- Cooperate with Japanese students from NTUU “I.S. KPI” to learn more about Japanese traditional culture and continue learning of Japanese language
 - Use knowledge that I gained about Japanese economic in my graduation research project and diploma work
 - Improve practical skills that I get working on projects in Tohoku University and implement them at my job (as manager at language school)
 - Create more volunteer projects in NTUU “I.S. KPI”
- 

THANK YOUR FOR YOUR
ATTENTION
